

# The Faculty of Defectology (today the Faculty of Special Education and Rehabilitation) was founded in Belgrade in 1975.

Once the building of the Jewish Women's Society - today the Faculty of Special Education and Rehabilitation  
(taken [https://joz.rs/jevrejski\\_pregled/Pregled-2016\\_02.pdf](https://joz.rs/jevrejski_pregled/Pregled-2016_02.pdf))

The Special Education and Rehabilitation study program offers five modules:

The Faculty has been working for 48 years. Currently, we offer three levels of academic studies:

The Faculty of Special Education and Rehabilitation cooperates with numerous teaching bases in the field of education, health and social protection, and other relevant institutions.

Our teaching and research practice is organized within three study programs:

*"Alone we can do so little. Together we can do so much."*
