	Plenary presentations					
	Moderators: Špela Golubović and Aleksandar Jugović					
	October 27 th 2023					
1.	Emerging trends in inclusive education: What does the future hold?					
1.	Olja Jovanović Milanović					
2.	Merging the power of profession and experience: Early intervention services for children with multiple disabilities and visual impairment					
۷.	Emine Ayyildiz					
3.	Understanding gambling related harm – what is important for responsible gambling policies?					
J.	Neven Ricijaš					
	Session 1: Specific rehabilitation domains					
	Moderators: Stevan Nestorov and Sanja Ostojić Zeljković					
	October 27 th 2023					
1.	Predictors of support for children with autism spectrum disorder in everyday life activities					
1.	Arnela Pašalić					
2.	The relationship between behavioral problems and the degree of communication development of persons with autism spectrum disorders					
۷.	Anja Gajić, Zoran Kovačić, Bojana Arsić					
3.	Effectiveness of ESDM treatment in children with autism spectrum disorder					
3.	Franco Bin, Viviana Langher, Daniela Marchetti					

2.	The importance of communicativeness of secondary school students with visual impairments — assessed by their parents
	Ante Bilić Prcić, Dora Švigir
4.	Impact of auditory rehabilitation on hearing amplification effectiveness in adult users
	Mina Nikolić, Sanja Ostojić Zeljković, Gorica Mladenović Importance of timely amplification as key to successful rehabilitation in adults
6.	Jelena Ćulibrk, Marija Petković
	Session 2: Delinquency and risks
	Moderators: Nebojša Macanović and Marija Maljković
	October 27 th 2023
	Minors without parental care who have been subjected to educational measures
1.	Vesna Žunić Pavlović, Jovana Urošević
	Relationship of juvenile offenders toward educators
2.	Nebojša Macanović
2	The relationship between school dropout and conflicts with the law in adolescence
3.	Marija Maljković, Nikola Milosavljević
4.	The advantages of applying mediation in responding to juvenile crime
4.	Ljiljana Stevković, Antonija Raspopović, Danica Vasiljević-Prodanović
5.	Motives for gambling in the student population
	Slađana Milošević, Dragica Bogetić, Milica Matović
6.	Determinants of antisocial behavior of students with intellectual disabilities
	Olivera Kalajdžić, Andrijana Bakoč, Ranka Perućica, Irena Stojković
	Session 3: Accessibility for all
	Moderators: Dominik Sikirić and Gordana Odović
	October 27 th 2023
1.	Adolescents online: opportunities, risks and awareness
	Rosa Disnan, Franco Bin, Daniela Marchetti
2.	The use of online social networks among the young with motor disabilities Irena Stojković, Fadilj Eminović, Marija Jelić
	The relationship of the assistive technologies use and the quality of life of persons with motor disorders: a review of recent research
3.	Gordana Odović, Lana Zrnić
	Accessibility for people with disabilities
4.	Tina Runjić, Valentina Mašić Fabac, Dominik Sikirić
	Exploring the current practices of Slovenian speech and language therapists on adapting augmentative and alternative communication systems to the need of
5.	children with cerebral visual impairment
	Mateja Maljevac, Sara Trošt

	Session 4: State response to crime Moderators: Milena Milićević and Sanja Ćopić October 27 th 2023
	Moderators: Milena Milićević and Sanja Ćopić
	·
	October 27 th 2023
1. Social med	ranings of mass killings in schools: the case of Serbia Bar Jugović

	al treatment
	Session 5: Quality of life indicators
	Moderators: Luka Mijatović and Vesna Radovanović
	October 27 th 2023
Social pro	otection and standard of life of persons with disabilities, legislative framework and practical implementation
1 1 1	Sikirić, Tina Runjić, Valentina Mašić Fabac
	on project "HEALTHY LIFE" for adolescents with visual impairment
	ent living possibilities of people with disabilities from the perspective of professionals from support systems
Daniela Br	ratković, Natalija Lisak Šegota, Ljiljana Pintarić-Mlinar
Ι ΔΙ Ι ΄ ΄ ΄ ΄ ΄ ΄ ΄ ΄ ΄ ΄ ΄ ΄ ΄ ΄ ΄ ΄ ΄	ousing as a factor of self-determination in persons with moderate intellectual disability ijetić Vukčević, Svetlana Kaljača
1 5 1	<i>ent in sports of young people with disabilities after rehabilitation</i> rković, Vladimir Mrdaković, Milan Matić, Miloš Ubović, Zdenka Wltavsky
1 6 1	pility support and barriers among individuals with functional diversity – a systematic review Ić, Nevena Strižak, Luka Mijatović
	Session 6: Education and upbringing of at-risk individuals and individuals with developmental disabilities
	. Moderators: Dragana Žunič and Aleksandra Grbović
	October 27 th 2023
1. Transition Dragana Ž	n from pre-primary to the primary education system for children with cerebral visual impairment: a case study Źunič

2.	Fingers to the stars – astronomy for visually impaired children Aksinja Kermauner, Janja Plazar
3.	The specificities in reading of children with visual impairment Silvana Pavlović
4.	Development of communicative competence among deaf and hard of hearing pupils in Slovenia Damjana Kogovšek, Hana Ćosić, Ingrid Žolgar Jerković, Jerneja Novšak Brce
5.	Support for students with dyslexia in secondary school Natalia Kiseleva
6.	The magic of reading: creativity of people with intellectual disability Izidora Kazić
	Session 7: Quality of life: Family and professional context
	Moderators: Ksenija Stanimirov and Marija Anđelković October 27 th 2023
1.	Sibling relationship of children with visual impairments Hatice Şengül Erdem, Emine Ayyıldız, Sevgi Kırboyun Tipi
2.	Parents' meaning making of their experiences about having a young child with deafblindness Emine Ayyıldız, Elif Tekeş
3.	Self-esteem and optimism in parents of children with visual impairment and their relation to the quality of life Vesna Vučinić, Branka Jablan, Zagorka Vujović, Marija Anđelković
4.	Parents' and professionals' self-perceptions of the need for burnout prevention in early childhood intervention Sonja Alimović, Ana Wagner Jakab, Darija Udovičić Mahmuljin
5.	Burnout among probation officers in Serbia Jelena Srnić Nerac
	Plenary presentations
	Moderators: Sonja Alimović and Mile Vuković
	October 28 th 2023
1.	Translating developmental neuroscience to make a case for early childhood intervention Ana Katušić
2.	Application of modern methods of molecular genetics in practice Jasmina Maksić
	Session 8: Students' school achievement factors
	Moderators: Marija Cvijetić Vukčević and Danijela Ilić Stošović October 28 th 2023
	Developmental abilities as predictors of successful participation in school activities
1.	Ivona Grbavac, Magdalena Perić Bralo, Rea Fulgosi Masnjak

	The quality of interaction with the teacher as a predictor of the acquisition of social skills of students with mild intellectual disability
2.	Bojan Dučić, Svetlana Kaljača
3.	Lexical comprehension and processing in children with typical development
3.	Nevena Ječmenica, Bojana Drljan
4.	The role and the significance of fingerspelling alphabet with the deaf and the hard of hearing
	Ljubica Isaković, Tamara Kovačević, Mia Šešum
5.	The importance of fine motor skills for learning mathematics in children with cerebral palsy
	Kristina Ivanović, Jovana Pavlović, Milica Lero
6.	The importance of student engagement for prevention practice
<u> </u>	Dragana Bogićević, Branislava Popović-Ćitić
	Session 9: Mental health in special education and rehabilitation
	Moderators: Dragan Pavlović and Sanja Dimoski
	October 28 th 2023
4	Measuring the manifestation of alexithymia and autistic traits in students: internal consistency and convergent validity of the scales
1.	Nenad Glumbić, Kristina Milosavljević, Uroš Đurić, Marina Janković Nikolić
2	An assessment of emotion recognition in the prosodic characteristics of speech
2.	Staša Lalatović, Nadežda Krstić, Maja Milovanović
2	Specificity of symptoms of depression and anxiety in adults with hearing loss
3.	Milena Kordić, Sanja Đoković, Milana Dražić, Marija Bjelić
4.	Recognition and detection of children with mental disorders in temporary accommodation
4.	Jelena Šuster, Ivan Petrović, Valentina Šoškić, Nemanja Rajić, Anđela Lačković
5.	The association between empathy deficits and psychopathy
5.	Jelena Nikolov
6.	Elderly hearing loss and cognitive functions
6.	Emilija Živković-Marinkov, Snežana Babac, Mila Bojanović, Marina Malobabić
	Session 10: Education and upbringing from teachers' perspective
	Moderators: Medina Vantić Tanjić and Nenad Glumbić
	October 28 th 2023
1	Guidelines for the quality individualized programs for children with special needs in order to provide an inclusive school
1.	Petra Košnik
	The relationship of the frequency of training of preschool teachers with the self-assessment of competencies for the inclusion of children with autism spectrum
2.	disorder
	Jasna Kudek Mirošević
3.	Teachers' perception of students' emotional well-being, social inclusion, and academic self-concept
٦.	Anamarija Žic Ralić, Martina Matičević

4.	Cultural competencies in education: results from self-assessment of high school teachers				
	Branislava Popović-Ćitić, Marija Trajković, Lidija Bukvić, Marina Kovačević-Lepojević, Ana Paraušić Marinković, Milica Kovačević, Dragana Bogićević				
5.	The connection between the COVID-19 pandemic and the mental health of educational and rehabilitation experts and educational workers				
	Gorica Kurtuma, Amela Teskeredžić, Hurma Begić Jahić				
	Session 11: Language and communication				
	Moderators: Damjana Kogovšek and Ivana Arsenić				
	October 28 th 2023				
1.	Voice quality in children with specific language impairment				
1.	Mirjana Petrović Lazić, Ivana Ilić Savić				
2.	Verbal and nonverbal working memory in children with expressive type of developmental language disorder – a preliminary research				
۷.	Bojana Drljan, Nataša Buha, Nevena Ječmenica				
3.	Reading disorder in lesions of anterior and posterior brain areas				
Э.	Željana Sukur, Mile Vuković				
4.	Language disorders in dementia: common and differential characteristics				
4.	Mile Vuković, Lana Jerkić Rajić				
5.	Barriers in the application of assistive technology for communication				
J.	Nadica Jovanović Simić, Ivana Arsenić, Zorica Veljković				
	Session 12: General rehabilitation context				
	Moderators: Martina Celizić and Aleksandra Đurić Zdravković				
	October 28 th 2023				
1.	Models of knowledge translation between disability and rehabilitation research and practice – a review of two strategies				
1.	Milena Milićević				
2.	Neuropsychological rehabilitation as history in the making				
۷.	Nadežda Krstić, Veronika Išpanović				
3.	Vitamin B12 status and development in children and adolescents				
Э.	Dragan Pavlović, Aleksandra Pavlović				
4.	Neuroplasticity in persons with neurodevelopmental disorders				
4.	Aleksandra Pavlović, Aleksandra Đurić-Zdravković, Milica Gligorović				
5.	Support program for adopting socially acceptable patterns of behavior at CUDV Draga				
J.	Rok Usenik				
	Session 13: Medical aspect of rehabilitation				
	Moderatori: Vladimir Nešić and Sanja Đoković				
	October 28 th 2023				
	Continuous education of health care professionals in welcoming intellectually disabled patients				
1.	Viviana Langher, Smiljana Cvjetković, Bojana Konsuelo Talijan, Giuseppe Scurci, Carola Casellato, Anica Spasov
